

THROWBACK – GIRLS IN AVIATION DAY 2024

14 cities

Inspiring Thousands
of Young Minds

Giving Wings To
Dreams

A clarion call, 'Beti ki Udaan, Desh Ka Swabhimaan' has been the inspiration, the guiding light for Women in Aviation India. During this path breaking journey, Girls in Aviation Day has been celebrated every year, touching the lives of thousands of girls in person and multifold otherwise, across 35 cities in India. Through the Girls in Aviation Day programs, WAI members reach out to girls through curated events held at the schools, colleges and mostly at airports, in order to provide students a glimpse of an aviation ecosystem, as most of these students have not had an opportunity to see an airport before.

In 2024, Girls in Aviation Day was celebrated across 14 cities in India – Agra, Bhubaneshwar, Chandigarh, Srikakulam, Chennai, Dehradun, Delhi, Gurugram, Hyderabad, Jaipur, Leh, Mumbai, Srinagar and Thiruvananthapuram. Through the Girls in Aviation Day series this year, under the theme 'Chhu Lengi Aasman Bharat Ki Betiyan', WAI reached out to a large number of girl students from the 11th and 12th grade wherein aviation experts, aviation institutions, corporate entities, students and academic institutions were invited to engage with the students.

Shri Kinjarapu Ram Mohan Naidu, Hon'ble Minister of Civil Aviation, Government of India, graced the program in **Srikakulam**, his constituency where he inspired and encouraged the young girl students, sharing his vision of writing a golden chapter of aviation. Assuring his invaluable support to WAI, he expressed his strong desire to encourage women to join the aviation sector, especially from the North Andhra region. The Hon'ble Minister wholeheartedly congratulated Smt. Radha Bhatia, President & Founder of Women in Aviation India and members who relentlessly work and contribute behind the scenes.

The GIAD 2024 programs were celebrated with the invaluable support of the Ministry of Civil Aviation, Government of India, DIAL (Delhi International Airport Ltd., GMR, Airport authority of India, Kempegowda International Airport, CIAL (Cochin International Airport), Rajiv Gandhi International Airport, Hyderabad, Thiruvananthapur International Airport, MakeMyTrip, Blue Dart, Millennium Aerodynamics, Directorate General of Training, National Skill Training Institute, Ministry of Skill development and Entrepreneurship, Confederation of Indian Industry and Bird Group.
